Mansion Minders & Marketing has introduced a unique concept in the field of real estate whereby we care for property that, in most cases, is being offered for sale, during the interim time after the owner has vacated and before the property is sold. We recruit competent, temporary Mansion Minders to maintain and display the property in such a way as to enhance the homeowner’s opportunity to successfully sell, much like a builder furnishes and maintains model homes.

We thank you for your inquiry regarding becoming one of our select Mansion Minders. In order to enable us to find the right match between your needs and the needs of one of our homes, we ask that you complete this application and provide the most effective method to describe your furnishings. As soon as we receive your information back, we can start the match making process, so your early reply will be helpful.
